"Honour Above Honours"

27th February 2018

Dear Parents

We would like to offer our students the opportunity to participate in this year's *University of New South Wales ICAS Competitions*.

Completing these tests gives the students an opportunity to extend themselves and helps them to identify their strengths and weaknesses. Each student who participates receives a certificate and an individual student report showing their results.

If you would like your student to participate, please complete the attached permission slip and return with payment of entry fee to the office by **Monday 26th of March (Week 10 Term 1)**.

It is the student's responsibility to attend the ICAS competition on the test date. The time is nominated by the school. The location and time will be advertised on school notices. As this is a subsidised test, if the student fails to attend reimbursement is not possible as we have already ordered and paid for the test upon nomination.
