Instructions for Parent/Teacher Bookings

SECTION 1: Logging into SOBS - School Online Booking System

Visit the school website www.biloelashs.eq.edu.au and click on the link for 'Parent teacher interviews'.

1. Click this link – it should take you to a screen that looks like the following (the school name should be the name of the school you are booking at):

The screenshot shows the SOBS login interface. At the top, the 'sobs' logo is displayed in blue, with 'Ronald St College' underneath. A text input field is present with the placeholder text 'Enter your email address'. Below the input field is a blue button labeled 'Next'.

2. Enter your email address into the box provided and click "Next"

The email address will be checked for validity. If it is invalid you may see an error like this:

The screenshot shows an error message. The text reads 'Invalid Email' followed by 'Your email looks invalid: 'roger@acme.com.au/' please try again'. Below the message is a blue button labeled 'Okay'.

Click "Okay" and re-enter the corrected email address

If you do not have an email address, then you can also enter your mobile phone number in place of the email address.

If you do not have an email address or a mobile phone number, then enter your first and last name in place of the email address. In this instance we may not be able to email you a list of the interviews you book, however you will still be able to record them in your own diary or print them out.

3. If this is your first time you may see this screen, it allows you to select the level of security you would like to use on this site:

Additional security options

I don't want to use a password here

I would like to add a password to my account

I would like my account verified by sending a code

The school has not specified any particular security option, however you can choose to include a password on your account or alternatively ask the application to send a verification code to your email or your mobile phone

Delete my details when these bookings are completed

Normally we will store your information for future events, however you can check this box and we will delete the information you enter after the current bookings are completed

[Next](#) [Skip](#)

NOTE: The option you choose can not be changed! Once selected the option will stay with this account forever. If you are unsure go with the first option, it is the simplest.

Option 1: "I don't want to use a password here" - if you are not bothered about using a password you can use this option.

Option 2: "I would like to add a password to my account" - you will be prompted to enter a password, this same password will be required to be entered each time you access the site. When selected you can not enter a blank password – you must enter at least one character.

Option 3: "I would like my account verified by sending a code" - this is only available if you have entered a valid email or mobile phone number. We will send a 4 digit code to your email address, or to your mobile phone, we will then require you to enter this code on the next screen.

Optional 4: "Delete my details when these bookings are completed" - after the interview round is complete your details will be deleted from the system. If there are future booking rounds you will be able to register using this process again.

4. You chose to add a password to your account:

5. You chose to enter a verification code:

The screenshot shows the 'sobs' logo at the top, with the text '@ Ronald St College' below it. The main heading is 'Where to send verification code?'. There are two radio button options: 'Email via m3@focus-computing.com.au' and 'Add a mobile number'. Below the options is a note: 'Select the method for verification, we can send a code via email or SMS'. At the bottom are two buttons: 'Send' and 'Cancel'.

We can send the verification code to your email address or alternatively to a mobile phone number if you would prefer. Select either option and click "Send".

6. The verification code would be sent to the selected account (in this case I have selected my email address):

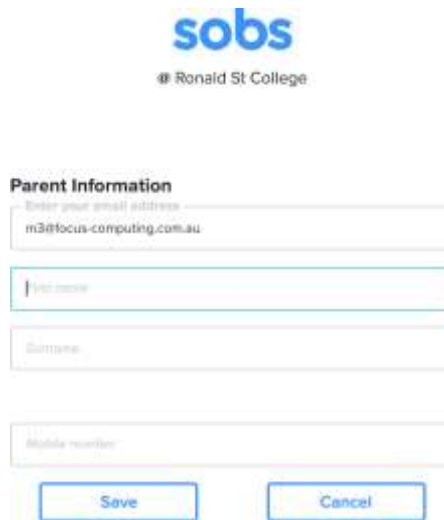

The screenshot shows the 'sobs' logo at the top, with the text '@ Ronald St College' below it. The main heading is 'Enter verification code'. A green notification box states: 'Verification code has been sent to m3@focus-computing.com.au'. Below this is a text input field labeled 'Verification code'. At the bottom are two buttons: 'Save' and 'Cancel'.

Below the form, the text 'Your verification code is 5609' is displayed.

At the very bottom, there are links for 'Contact us' and 'About us'.

The email is sent immediately – it should arrive within one minute. Be sure to check your spam/junk folder for the email:
Enter the verification code into the box on the form and click "Save".

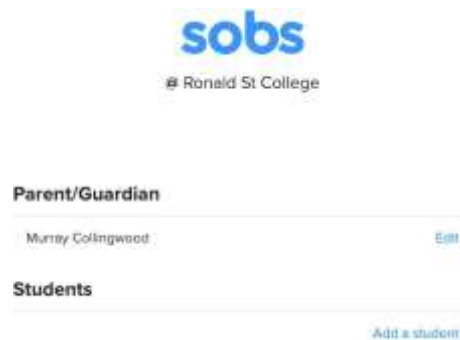

7. We have now completed the authentication. The application will prompt us for any further information the school would like. Generally this is limited to your name and mobile phone number although there can be others. In this instance because I used the verification code to authenticate the application will allow me to modify my email address:

The screenshot shows the 'sobs' logo at the top, followed by the text '@ Ronald St College'. Below this is a section titled 'Parent Information'. It contains four input fields: 'Enter your email address' (with the value 'm3@focus-computing.com.au'), 'First name', 'Surname', and 'Mobile number'. At the bottom of the form are two buttons: 'Save' and 'Cancel'.

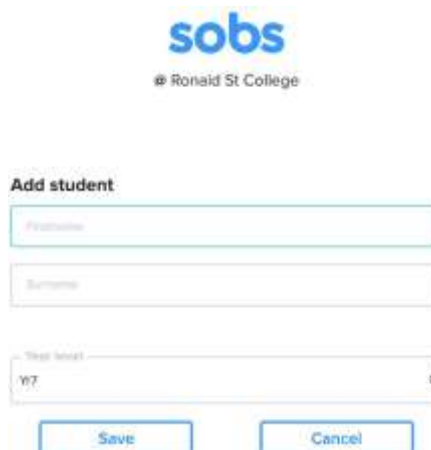

Enter your first and last name, and optionally your mobile phone number, then click "Save".

SECTION 2: Adding and Updating Student Details

The screenshot shows the 'sobs' logo at the top, followed by the text '@ Ronald St College'. Below this is a section titled 'Parent/Guardian' with a list item 'Murray Colingwood' and an 'Edit' link. Below that is a section titled 'Students' with an 'Add a student' link.

1. Clicking the "Add a student" link will display the following screen:

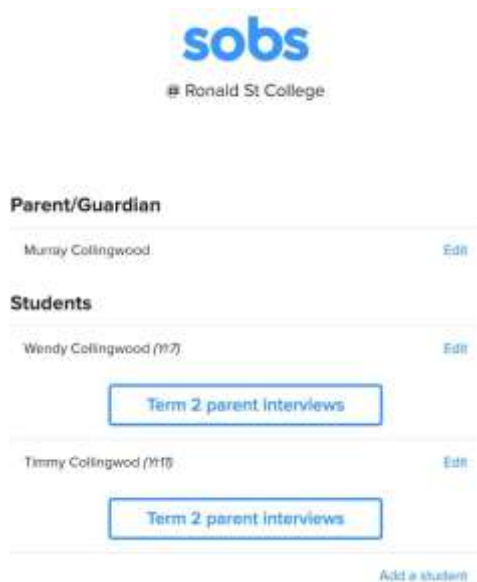

The screenshot shows the 'sobs' logo at the top, followed by the text '@ Ronald St College'. Below this is a section titled 'Add student'. It contains three input fields: 'First name', 'Surname', and 'Year level' (with the value 'Y7'). At the bottom of the form are two buttons: 'Save' and 'Cancel'.

Enter your child's first and last name. Select the year level from the list available. (These should be year levels that are taught at your child's school).

If you are booking for an enrolment interview you will select the year level and an estimated start date for your child in that year level.

2. Continue adding student entries until you have run out of children:

3. If there are any current bookable events these will be listed under each student. If you can not see a specific event listed be sure to check that your child has the correct year level selected, sometimes an event like Subject Counselling is only valid for a Yr10 student.
4. You can use the "Edit" option to correct the details pertaining to your child. Changing their name and their year level.

If there are no current bookings you will also have the option to delete this entry. Deleted entries will be visible for the remainder of the day and will be removed overnight.

SECTION 3: Booking an Interview

1. In this instance we are going to click on the “Term 2 parent interviews” button.

Since Wendy is in year 7 the staff listed are those that teach year 7. Select from the list the teachers you would like to interview with. In this instance I'm choosing three teachers.

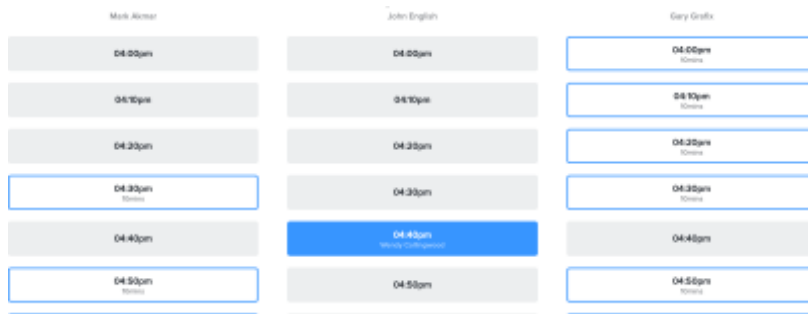

Click “Next”

2. We are now presented with a list of the bookable slots for these three teachers. I'm one of the first parents to book so there is plenty of availability.

You can see that Mark Akmar is either unavailable or has already been booked for the first three time slots – you will not be able to book on those slots. You can only book a teacher once, and you can not double book yourself at the same time. To demonstrate this I'm going to book John English for 4:40pm

Notice that the other time slots at 4:40pm are now unavailable for booking. Similarly all of the other time slots for John English are unavailable.

Ideally I'm wanting to go straight from one interview to the next, so I'm going to book Mark Akmar for 4:30pm and Gary Grafix for 4:50pm

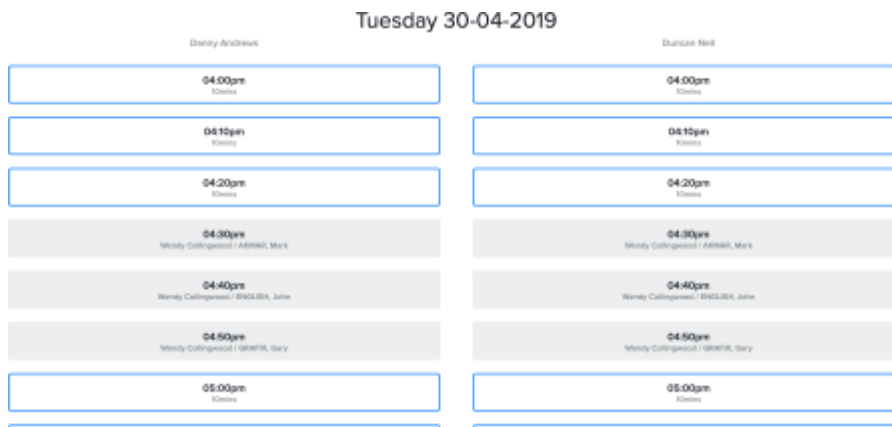

3. You can delete a booking simply by clicking on the blue time slot. This will delete the booking and restore the other bookable options.
4. Click "Save" to return to the list of students
5. We now have a list of three bookings for Wendy. An Email and Print button have also appeared. We haven't finished booking yet so we will wait to Email / Print until the rest of our bookings are completed. Clicking on the "Term 2 parent interviews" button for Timmy.

For Timmy we are going to interview with Danny Andrews and Duncan Neil – click "Next"

6. The available time slots show some more unavailable time slots, however this time they relate to the times we have already booked for Wendy's interviews.

My most efficient books are once again immediately before of after the current bookings I have, so I will book Danny at 4:10pm and Duncan at 4:20pm

Once again I will click “Save” to return to the list of students.

7. I now have all my bookings completed.

The screenshot shows a web interface for managing student bookings. At the top, there are 'Email' and 'Print' buttons. Below, two student profiles are listed:

- Wendy Collingwood (Y7)**:
 - 30-04-2019 04:30pm AKMAR, Mark
 - 30-04-2019 04:40pm ENGLISH, John
 - 30-04-2019 04:50pm GRAFIX, Gary
- Timmy Collingwood (Y11)**:
 - 30-04-2019 04:10pm ANDREWS, Danny
 - 30-04-2019 04:20pm NEIL, Duncan

Each student's bookings are followed by a blue button labeled 'Term 2 parent interviews'.

8. Clicking the “Email” button will send a list of the bookings to my email.

A list of your bookings have been sent to m3@focus-computing.com.au

9. Clicking the “Print” button will display a list of the bookings, with time, teacher name and the room where the interview will be held in brackets after the teacher name, that I can then print (on most web browsers this is Control + P).

The screenshot shows a page titled 'Bookings for Murray Collingwood' with a timestamp 'As at 01-02-2019 12:47pm'. It contains a table of bookings:

Booking Type	Time	Teacher	Room
Term 2 parent interviews	30-04-2019 04:10pm	Timmy Collingwood (Y11)	ANDREWS, Danny (G14)
Term 2 parent interviews	30-04-2019 04:20pm	Timmy Collingwood (Y11)	NEIL, Duncan (G12)

Term 2 parent interviews	30-04-2019 04:50pm	Wendy Collingwood (Y7)	GRAFIX, Gary (N01)

10. There is no specific logoff option – you can just close your browser window.
